

American Osteopathic Association

From Direct Medical Data

58,200 Osteopathic Physicians

Direct Medical Data offers direct marketers access to **AOA**—the professional association representing more than 58,000 osteopathic physicians (D.O's) and the accrediting agency for all osteopathic medical colleges and health care facilities. The **American Osteopathic Association** is committed to advancing its philosophy and practice by promoting excellence in education, research, and the delivery of cost-effective healthcare. Similar in education and income to MD's, these physicians comprise more than half of the general practitioners in the United States today.
