Direct Medical Data offers direct marketers access to ASHP- the national professional association that represents pharmacists practicing in hospitals, health maintenance organizations, long term care facilities, home care and other components of the health care system. ASHP is committed to providing members with assertive legislative and regulatory advocacy, continuing education, practice standards and policies and up-to-date, accurate drug information. With a long history of medication error prevention efforts, ASHP continues to assist pharmacists in helping people make the best use of medicines.

The database includes active members, associate members, students, residents and allied professionals. Excellent prospects for a variety of offers including continuing education, subscriptions to newsletters, journals, magazines, recruitment and more.
