**Direct Medical Data** offers direct marketers access to an exclusive database of over 190,700 office managers nationwide in physicians’ offices.

These professionals are involved in or responsible for a majority of the purchasing, operations and other decisions within their offices, making them excellent prospects for a wide array of offers such as office supplies, computer software and hardware, general business offers, medical devices and safety equipment, healthcare related publications and more.

**Source:** Medical group directories, national provider databases, PPO/HMO provider networks, medical associations rosters, credit bureau files and other proprietary sources

**Updates daily**
