

# Nurses Database (RN/LPN/NA)

From Direct Medical Data

**3,000,000 Nurses \$75/M**

Direct Medical Data offers direct marketers access to over 3 million **licensed nurses** nationwide--including RN's, LPN and NA's. Working in a wide array of healthcare settings such as hospitals, nursing homes, surgical centers and other medical facilities, the nursing profession is one of the fastest growing careers in healthcare today. Responsible for assisting physicians during treatments, exams and surgeries, nurses play a key role in many aspects of their patients overall health and wellness.

Excellent prospects for a variety of offers including: continuing education, subscriptions to healthcare related newsletters, journals, magazines, medical supplies, recruitment and much more.
